Australian Industrial Chemicals Introduction Scheme

# Apply to use animal test data to work out your chemical's introduction category

**IMPORTANT INFORMATION**

- Use this form to apply for approval to use new animal test data to work out if your introduction category is either exempted or reported.
- This application relates to chemicals with multiple end uses including an end use in cosmetics (section 32 of the Industrial Chemicals (General) Rules 2019).
- Giving false or misleading information is a serious offence. We may pass on the information in this form to other agencies as authorised or required by law.
- Your personal details are protected by law, including the Privacy Act 1988. Important information about how we handle your personal details is in our privacy statement at **www.industrialchemicals.gov.au/privacy**. You should read and understand this information before completing this form.

**Please allow 10 working days for processing. Use BLOCK LETTERS.**

## Section 1: Applicant's details

Business name:

AICIS Business ID:

Application contact — first name:

Application contact — last name:
