

Apply to vary the terms of a commercial evaluation authorisation

IMPORTANT INFORMATION

- Use this form to apply to vary the terms of a commercial evaluation authorisation under section 62 of the Industrial Chemicals Act 2019 (IC Act).
- You can submit a joint application, but we can't process the application until all applicants submit their own form. For instructions on how to submit a joint application, send an email to applications@industrialchemicals.gov.au.
- You can attach up to 5 separate documents to support your application.
- The **applicant must submit this form** through AICIS Business Services. An agent cannot submit this form on behalf of the applicant.
- If some of the information cannot be disclosed to the applicant, the chemical data provider can email the confidential information to applications@industrialchemicals.gov.au.
- Giving false or misleading information is a serious offence. We may pass on the information in this form to other agencies as authorised or required by law.
- Your personal details are protected by law, including the Privacy Act 1988. Important information about how we handle your personal details is in our privacy statement at www.industrialchemicals.gov.au/privacy. You should read and understand this information before completing this form.

Please allow 20 working days for processing. Use BLOCK LETTERS.

Section 1: Applicant's details

Business name:

AICIS Business ID:

Application contact — first name:

Application contact — last name:

AICIS commercial evaluation authorisation number:

Has payment been made through AICIS Business Services?
(required)

Yes

No*

* We cannot process this application until we receive payment.

Is this authorisation jointly held? (required)

Yes*

No

* We cannot process this application until all authorisation holders have applied.

Section 2: Chemical details

Chemical name or AICIS Approved Chemical Name (AACN):

Section 3: Proposed variation

Which terms of the commercial evaluation authorisation do you want to vary and how do you want to vary them?

Section 4: Information to support your proposed variation

- We will only vary the terms of your authorisation if we are satisfied that you can manage any risks to human health and the environment.
- You must provide details of any relevant changes to the circumstances of your introduction or use of your chemical since we issued your authorisation.
- You must provide justification to support any proposed increases in the volume of chemical introduced or the duration of your authorisation (maximum quantity and time cannot be exceeded).

Provide the details in support of your proposed variation:

Are you attaching additional documents to support your application?

Yes

No

Section 5: Confidential Business Information (CBI)

Part 6 of the IC Act provides for the protection of the chemical identity and end use of an industrial chemical in certain circumstances. Protection may also be available under the Act for other kinds of information. You must answer 'yes' or 'no' to questions a, b and c of this section.

5a. Are you seeking protection of the varied specific end use?

Yes, and I understand that this application is not complete until an application for CBI has been submitted through AICIS Business Services.

No

5b. Are you flagging any other information as CBI? (If your answer is 'yes', you must answer questions c, d and e of this section.)

Yes, and I understand that if the nominated person receives a section 113 notice (IC Act) then they may need to apply for CBI through AICIS Business Services.

No

5c. What specific information do you want to flag as CBI (eg, varied chemical identity, volume, purity)?

5d. Nominate the person who should receive the section 113 notice:

First name Last name

5e. Nominated person's AICIS Business ID:

Section 6: Declaration (required)

I declare that:

I am the owner of the data provided in this application, or I have permission from the data owner to use the data that I am submitting for this application.
