

## Apply to vary the terms of an assessment certificate

### IMPORTANT INFORMATION

- This form is used to apply to vary the terms of an assessment certificate under section 43 of the Industrial Chemicals Act 2019 (IC Act). Follow the guidance on our website.
- You can submit a joint application, but we can't process the application until all applicants submit their own form. For instructions on how to submit a joint application, send an email to [applications@industrialchemicals.gov.au](mailto:applications@industrialchemicals.gov.au).
- You can attach up to 5 separate documents to support this application.
- The **applicant must submit this form** through AICIS Business Services. An agent cannot submit this form on behalf of the applicant.
- If some of the information cannot be disclosed to the applicant, the chemical data provider can email the confidential information to [applications@industrialchemicals.gov.au](mailto:applications@industrialchemicals.gov.au).
- Giving false or misleading information is a serious offence. We may pass on the information in this form to other agencies as authorised or required by law.
- Your personal details are protected by law, including the Privacy Act 1988. Important information about how we handle your personal details is in our privacy statement at [www.industrialchemicals.gov.au/privacy](http://www.industrialchemicals.gov.au/privacy). You should read and understand this information before completing this form.

**Please allow 70 working days for processing. Use BLOCK LETTERS.**

3c. I want to vary specific requirements related to providing information about the introduction.  Yes — provide details below  No — go to question 3d

3d. I want to vary the chemical identity information (eg, chemical name, CAS number or molecular formula).  Yes — provide details below  No — go to section 4

## Section 4: Information to support your proposed variation

Select 'yes' or 'no'. Provide details that are relevant to your proposed variation, and only if this has changed from information previously assessed.

4a. I am providing information about the mode of introduction (eg, import or manufacture).  Yes — provide details below  No — go to question 4b

4b. I am providing information about the use and end use of a chemical. (If you want to protect specific end use as CBI, you must apply for a generalised end use — see section 5.)

Yes — provide details below

No — go to question 4c

4c. I am providing information about the introduction and end use concentration.

Yes — provide details below

No — go to question 4d

4d. I am providing information about the volume of the introduction.

Yes — provide details below

No — go to question 4e

4e. I am providing information about the site of introduction or use.

Yes — provide details below

No — go to question 4f

4f. I am providing information about the chemical's identity. (If you want to protect the varied chemical identity as CBI — see section 5.)

Yes

No

## Section 5: Confidential Business Information (CBI)

Part 6 of the IC Act provides for the protection of the chemical identity and end use of an industrial chemical in certain circumstances. Protection may also be available under the Act for other kinds of information. You must answer 'yes' or 'no' to questions a, b and c of this section.

5a. Are you seeking protection of the varied specific end use?

Yes, and I understand that this application is not complete until an application for CBI has been submitted through AICIS Business Services.

No

5b. Are you flagging any other information as CBI? (If your answer is 'yes', you must answer questions c, d and e of this section.)

Yes, and I understand that if the nominated person receives a section 113 notice (IC Act) then they may need to apply for CBI through AICIS Business Services.

No — go to question 5g

5c. What specific information do you want to flag as CBI (eg, varied chemical identity, volume, purity)?

5d. Nominate the person who should receive the section 113 notice:

First name	Last name
------------	-----------

5e. Nominated person's AICIS Business ID:

5g. Are you flagging concentration, volume or purity information as CBI? As we publish this information in our assessment, **provide details that are suitable to publish.**

Your suggested maximum introduction concentration (%).

%

Your suggested end use concentration (%).

%

Your suggested maximum introduction volume (tonnes per year).

tonnes

Your suggested purity of the chemical (%).

%

## Section 6: Declaration (required)

### I declare that:

I am the owner of the data provided in this application, or I have permission from the data owner to use the data that I am submitting for this application.
